

IAU | INSTRUCTIONS FOR APPLICATION FOR ADMISSIONS

All applicants applying to an academic program must go through International American University's admissions process. Although the application process may seem rather daunting, we are here to guide you through it. The Admissions process is a series of steps that assist the student in achieving his or her educational goals. It also serves as an agreement between the college and applicant enrolling for credit. IAU asks that you participate in the matriculation process with us to ensure your educational success. If you commit to an educational goal, we commit to helping you succeed.

Applications for admissions are accepted throughout the year. There are (6) enrollment intakes per calendar year. Applicants are urged to apply in a timely manner for the desired enrollment term *especially if you are an F-1 applicant*. Admissions Portfolio (AP) should be submitted 30 days prior to the term of enrollment to ensure timely processing. F-1 applicants with a "change of status" should submit 60 to 90 days prior.

IAU | ADMISSION PROCESS

STEP 1: SUBMIT ADMISSIONS PORTFOLIO (AP)

Applicants must submit a completed Admissions Portfolio (AP). The AP is an accumulation of all the necessary documents the Office of Admissions uses to evaluate if applicant meets criteria for the applied program. The required items are clearly listed on the Application for Admissions. Certain programs may have unique admissions requirements. Make sure you review the admissions requirements of the program to which you are applying. Use the checklist (next page) to ensure that all required documents are submitted.

Please include non-refundable application fee:

- All Applicants **\$125**
- F-1 Applicants add a processing/courier fee of **\$125**

All materials must be submitted in English, and applicants must verify any translations by including the original or notarized copy of the original.

The completed AP and any supporting materials (such as transcripts and test scores) become the property of the University and will not be returned to the applicant or transmitted to a third party.

STEP 2: EVALUATION

After the Admissions Portfolio (AP) has been received, the Office of Admissions will evaluate if the applicant meets the criteria or is missing an element. IAU reviews every application individually. If an item is missing, the Office of Admissions will contact the applicant and request the missing items. If the Admissions Portfolio (AP) remains incomplete for over 30 days, the Admissions Portfolio (AP) will be discarded.

STEP 3: DECISION

Within 7-10 days of receiving a complete application, one of the following decisions shall be determined:

DENIED: If the applicant is not accepted, the Office of Admissions will send a letter to the applicant informing applicant of the decision, stating why his/her qualifications are deficient. Denial can be appealed.

ACCEPTED: If the applicant is accepted for admission, an acceptance letter will be sent to the applicant along with an enrollment agreement and other admissions documents to formalize acceptance into the program.

STEP 4: ACCEPT ADMISSION OFFER

If you wish to accept the offer of admission, additional admissions enrollment documents are required to be filled, signed and returned in order to formally enroll in the program.

STEP 5: OFFICIAL ENROLLMENT

Once the admissions enrollment documents are received, you will be issued an official enrollment package, which includes an enrollment and letter, student identification number (SID#), and ID card. Also, included is a registration form for the term you wish to enter.

STEP 6: REGISTERING FOR CLASSES

Students are required to register for classes. A staff from the Office of Student Support will assist you with this process. Registration requires choosing the appropriate classes and paying tuition fees. Payment can be made via check, bank wire, credit, debit, or money order. Returned checks are subject to a \$25.00 fee.
