PROGRAM DESCRIPTION

The Bachelor of Business Administration (BBA) degree program aims to develop students' intellectual ability through an appropriate blending of business and general education. The program assists the student in understanding and developing the unique leadership qualities required to be successful in business functions, an organizational unit, or an enterprise. The coursework provides students with a solid business foundation in the field. An emphasis is on critical thinking, decision-making, and Christian ethical behavior. The BBA degree program is designed to provide students with opportunities to explore business administration and meet educational goals and enhance their career opportunities.

EDUCATIONAL REQUIREMENTS

IAU requires either evidence of an earned high school diploma, General Educational Development (GED) tests, or the successful completion of a degree program. The degree must be earned at an appropriately accredited institution or foreign equivalent. Exceptions may be made on a case-by-case basis.
